WHY CHOOSE US? / WHY IFM?

OUR SERVICES

INTEGRATED FACILITIES MANAGEMENT

Facilities management is to ensure that the facilities in the building and the equipment are in top operational condition. We offer Integrated facilities management services on contractual basis to customers who want to outsource the facilities management services. Our services will help you increase efficiency and reduce operational cost. This is a multifaceted discipline which integrates people, places, processes and technologies, an array of services along with vendor management.

MECHANIZED HOUSEKEEPING

IFM offers professional mechanized housekeeping services with a team of experts and state of the art technology for user-friendly economical and valued solutions. We ensure that the entire premise is kept clean and maintained at all times. We coordinate and supervise all activities for the upkeep of the entire utility system.

ENGINEERING, MAINTENANCE & SUPPORT SERVICES

We specialize in providing production support services (with skilled Technical / Non-Technical manpower) across multitude of domains which include fitting, welding, specialized precision cutting, CNC machinery operation, assembly line workflow and much more.

We offer Operations & Maintenance services to HVAC, Chillers, AHU, HT/LT panels, UPS, DG Sets and provide operation & monitoring of BMS system, Access systems, CCTV etc.

LANDSCAPING & GARDENING

With IFM's professional landscaping and gardening services, give your homes and offices a refreshing green touch of flowers, scrubs, and trees. We offer services such as Indoor Plant Landscaping, Garden Establishment, Garden Maintenance for Commercial & Residential Properties.

PEST CONTROL SERVICES

IFM offers effective solutions for all kinds of pest problems in a scientific and eco-friendly way. Our services include Installation, Regular Checking, and Replacement of traps, bait stations, and glue boards. Our experts also guide you to set up pest-free structures in your homes and offices.

GROUND MAINTENANCE

A beautiful exterior defines the inside of properties and structures. And that's what IFM provides with its team of professionals, advanced tools, and efficient solutions for our clients. We offer Lawn Care, Irrigation System Management, Pest And Animal Control, Snow Removal, Parking Lot & Road Maintenance, Signage Maintenance, and Pond & Fountain Maintenance.

APARTMENTS & PROPERTY MANAGEMENT

Known for our efficient, time-bound work and effective solutions, IFM is an expert in Apartment & Property Management, tailored to the needs of our clients. We offer preventative Maintenance, Interior & Exterior Cleaning, Plumbing, Electricals, Carpentry, Rent Management, and Exit & Refurbishing.

OTHER SUPPORT SERVICES

IFM also provides other Support Services to assist all your requirements with skilled and quality manpower providing safe customized solutions. Our services include providing manpower for Assembly Area, Packing & Supply Chain Management, and contract Labour Support.
